

Please join us at the Pangloss Cellars Tasting Lounge on Friday, October 6th or on Saturday, October 7th from 7-9 pm for one of our Fall Member events!

As an Optimist Society Member, you will spend an evening enjoying our Fall release wines, each beautifully paired with locally sourced food complements that celebrate Sonoma's sustainable bounty.

We expect the Member events to reach full capacity, so we encourage you to RSVP now to RSVP@panglosscellars.com or 707.681.2941. Attendance is limited to 2 people per Membership and an RSVP is required. Please let us know which evening you wish to attend.

If you would like lodging or restaurant recommendations, your Optimist Society Concierge is happy to help you plan the rest of your wine country weekend.

Due to the nature of the events, all guests must be at least 21 and pets are not allowed.

We look forward to sharing our Fall release wines with you soon!
