

2014
CABERNET SAUVIGNON
MOON MOUNTAIN DISTRICT

WINE NOTES

We've been amazed at how beautifully the 2014 vintage captures the essence of Moon Mountain District winemaking. This Cabernet Sauvignon boasts everything we love about this secluded appellation: deep fruit flavors, concentration and just the right balance of acidity and tannin. Some of the vineyards dotting the steep slopes of Moon Mountain District date back to the 1880s, and in that time they have developed a reputation for depth and complexity. This bottling is a reference point for what this region has come to be known for.
