CABERNET SAUVIGNON

MONTE ROSSO VINEYARD

WINE NOTES

The extraordinary 2014 vintage and an iconic vineyard combined to produce an exceptional wine that truly celebrates Sonoma. With plantings dating back to the 1880s, the 575-acre Monte Rosso Vineyard is among the most heralded sites in California. Planted on 100% volcanic soil, this Cabernet Sauvignon displays all the gorgeous character we've come to expect from Monte Rosso, including dense structure, balanced acidity and a long finish. A wine for the Cabernet Sauvignon collector, it has the potential to age for more than a decade. Decanting is highly recommended if you can't wait that long.
