MARSANNE

ALDER SPRINGS VINEYARD

WINE NOTES

Once again, Alder Springs Vineyard demonstrates its potential to nurture Rhône Valley inspiration in New World soil. Outside France, the pleasures of this exotic variety remain undiscovered for many wine lovers. That's because Marsanne has exacting demands that make it incredibly challenging to grow. For the last 25 years, Stuart Bewley and his team at Alder Springs Vineyard have devoted themselves to crafting beautiful expressions of Rhône varieties, and we believe this Marsanne is among the most intriguing to be found anywhere in the New World. Crisp, feminine and elegant, this beauty offers a California interpretation of timeless French winemaking.
