CHARDONNAY

WINE NOTES

We've been waiting with great anticipation to finally debut this stunning Chardonnay from a vineyard in Moon Mountain District with an exceptional pedigree. Two special clones, named Old Wente and Montrachet, are grown at this historic site. The Old Wente clone fascinates winemakers for its rich flavor profile, while the Montrachet clone reveals complexity at a modest alcohol level for a lean, structured profile. We age the wine in a bit of new French oak but it remains in the background, allowing the layered fruit flavors to take center stage.
