GRENACHE
SONOMA VALLEY

WINE NOTES

If you're already a fan of Rhône wines, you'll love this Sonoma expression of Old World elegance. If not, our Grenache will serve as the perfect introduction to the beauty of this ancient variety. Bright and feminine, this wine serves as both companion and counterpoint to the offerings of the southern Rhône Valley. The best Grenache is known for its bright fruit character and graceful acidity, and ours is no exception. In classic Rhône tradition, we age the wine in neutral oak so as not to overpower Grenache's subtle nuances.
